*Evangelist Jean Sagesse / Joseph Pierre*

## Introduction

Dear beloved friends, greetings.

Whether we like it or not, we have reached the closing era of human probation. We are living on borrowed times. Everything that can be shaken is shaking. The Lord sent you this message, to inform us of what the world doesn't want us to know. As, readers, may the Lord Elohim guide your thoughts while going over this article. It is likely to be the most impressive present truth for our generation, to prepare the way for the coming Kingdom of the Creator. After reviewing it, you will be enlightened and well prepared against false teachings. Satan wants to mislead all of us by preventing us from knowing the true name of our Savior and Redeemer. What is the Messiah, the Master's true name? After reading this report, you will be able to discover the truth. And if you accept it, we encourage you to join us in proclaiming the Holy Name of the Son of God throughout the world. This matter comes at the opportune time to prepare those who will be members of the Eternal Royal Priesthood, just prior to the falling of the seven last plagues upon the wicked. So beloved, *"you shall know the truth and the truth shall set you free"*.

### THE PROBLEM WITH THE NAME "JESUS"

Be aware that this subject is presented to you from the Aramaic English translation. We read in the book of **Luke** chapter **1:26-31** as follows: *"Now in the sixth month the Angel Gabriel was sent from God to Galilee to a city called Nazareth, and the name of the virgin was Mary, and the Angel went in and said to her, peace be to you oh full of grace; our LORD is with you oh blessed one among-women. When she saw him, she was disturbed at his word and wondered what kind of salutation this could be. The Angel said to her, fear not Mary for you have found grace with God. For behold you will conceive and give birth to a son, and you will call his name "Jesus."* Now let us consider verses **31** of **Luke** chapter **1** and **Matthew 1:18-25**. Both chapters states the same thing, the name is Jesus in the King James Version. How is it possible? The Hebrew language from ancient times to the present, does

*Tell somebody about us: [www.voix de la prophetie.com](http://www.voix de la prophetie.com)*

not have any letter “J”. Furthermore, Messiah the individual, was on earth 1700 years before the letter “J” itself? The letter “J” was invented only three hundred years ago. At that time, Miriam (Mary) and Yoseph (Joseph) spoke two Semitic languages “Hebrew” and “Aramaic”. Furthermore, The Name of Messiah cannot be translated or replaced due to its great significance. In the book of **Acts** chapter **4:12** we read: *“There is none other name under Heaven given among men whereby we must be saved”* and in the book of **Philippians** chapter **2:8-11** again we read about how the Messiah *“humbled himself and become obedient to death, even the death on the stake; therefore, God also has highly exalted Him and given Him a Name which is above every name. That Name is none other than Yeshua Messiah, Every knee should bow, of those in heaven, of those on earth, and those under the earth, and every tongue shall confess that Yeshua is the Lord the Messiah is the Lord to the Glory of the YAH the Father”*. So that special Name cannot be translated or replaced. Messiah is the Lord to the Glory of God His Father. Now, can you imagine when the Bible says *“there is no other name,”* the imperial religious systems replaced the true Name of the Messiah with a manmade name, “Jesus.” This is not acceptable.

In ancient Israel, it was customary for a child to bear the name of his father. The coded language that was revealed to the nation of Israel is Hebrew (the language of the covenant). The special Name for the Father and Creator is “YHVH” and is often pronounced as “YAH”. In the book of **Psalms 68:4, 5** we read: *Sing to Yahweh; sing praises to His Name! Extol our Father Who rides the clouds by His Name "YAH", and rejoice in front of Him... But, if you read most English Bible translations, you would see the word "JAH". What is the meaning of JAH? As for Jah, it has no meaning, the word is "YAH". This is the reason why the Great YAH called his Son: "YAHSHUA" which means Salvation. Isaiah 56:1 clearly states, “Thus says the LORD, keep ye judgment and do justice for My Salvation will come soon and My Righteousness will be revealed”. Verse 6 also states “ the sons of the strangers who follow the Lord to serve him and to love the Name of the LORD to be his servants, everyone who keeps from profaning the Sabbath and takes hold of my covenant”....PP.*

Therefore, the ‘Name’ revealed the character of the individual. For example, the character that is revealed for Yahweh is: the Principle of His Kingdom, His Sabbaths, His Statues, His Judgments, His Laws, His Commandments, His Plan of Redemption for mankind, His Principles, His Moedim, (His Appointed Times), and His Calendar (**Lev. 23:1-40; Ez. 20:17-21; Gen. 1:14-19**). In Israel, generally every name has a meaning. In the past, most people there, did not have a family name (Except for their tribal names like: **Judah, Benjamin**, etc.) or what we call last names. Since the Nation of Israel was created by God, they were destined to be inseparable, so they often say Israel of God or the God of Israel.

### BIBLICAL NAMES HAVE SIGNIFICANCE

In the Old Testament Era, names did not come about without significance, whether from a Pagan or Israelite perspectives. For example, the ancient country of “the Mesopotamia” means country between the rivers. “Bab-El” means the door of God. Bab = door, El = God.

*Tell somebody about us: [www.voix de la prophetie.com](http://www.voix de la prophetie.com)*

Another example, we can compare Israel to a young lady (or virgin) who marries and cleaves to her husband. Her family name automatically changes from her biological father to her husband's name. In **Jeremiah** chapter **23:27** we read *"(False Prophets) who think to cause my people (which they tell) to forget My Name by their dreams which they tell every man to his neighbor, as their fathers have forgotten My Name for Baal."* Furthermore, in **Exodus 20:5** declares that *He is a "Jealous God."* According to **Isaiah 62:2**, *"And the Gentiles shall see your righteousness and all kings your Glory and you shall be called by a New Name which the mouth of the LORD shall bestow upon you."* You see, as I mentioned to you previously, the bride would then carry the name of her husband. **Verse 5** tells us, *"For as a young man marries a virgin, so shall your sons marry you: and as the bridegroom rejoices over the bride so shall your God rejoice over you (The church)."*

In **Revelation 14:1** we read, *"And I looked, and behold, the Lamb stood on the mount of Zion and with Him a hundred and forty four thousand in number, having the Name of His Father written on their foreheads."* This is the reason why the true Name of the Creator has not been revealed yet. Otherwise, Satan and his followers would have blasphemed the LORD's Holy Name, the same way he has replaced the Holy Name: Y'shua with the false man-made the name, **Jesus**. As I stated before, between God and Israel, names have always meant a great deal. Every name has a meaning and contains a reason for the naming. Furthermore, whenever the LORD meets with an individual, He gives His own name to that individual which always depicts the character traits of the person or thing.

### WHY THE NAME Y'SHUA WAS REPLACED WITH THE LABEL JESUS

In the book of **Matthew** chapter **1:21** states as follows: *"She will give birth to a son, and you will call His Name Y'Shua" which means "Savior"*. In verse **23**, of the same chapter, in the same book we read: *"Behold a virgin will conceive and give birth to a son, and they shall call His Name Immanu El which is interpreted, the Power of God is with us."* In the year **168 B.C.**, Antiochus invaded Jerusalem and killed a pig and sprinkled its unclean blood all over the sacred Altar of Adonai (Sovereign or Lord). And in the Holy temple and shrine, prostitutes fornicated in the temple. Through all of this, they were still not satisfied. They went and brought in a massive statue of Zeus and planted it in Jerusalem and told the people *'behold your new god!'* Many years later, the same thing happened with the name of Y'shua. They tried to fool people by saying that Jesus was the translation of the Holy Name from **Hebrew** or **Aramaic** to the common languages. However this could not be true. For the first time, the name was **Iesvus**, this was a combination of **Greco-Latin**. And on the second occasion, from **300-500 A.D.**, they changed it to **Iesus**, from **500-600 A.D.**, they brought **Iefus**, and in the **14th** century they changed His name to **Iewes**. And thereafter, they reversed it back to **Yesus** during the **15th and 16th** centuries. And then, during part of the 17th century, they came with the letter "J" and "they gave us **Jesus**". Let us reason moment, if a language could translate a name in four-to-five different ways, on four -to-five different occasions, before settling on the right one, there is a problem. Anyway, the name Jesus is a false name, with no biblical or historic basis. The Master's name is: **Yeshua** (or referred to, interchangeable, as **Yashua**), the name of the Son. His Father's is Yahweh or Yahveh. As we read before, in the book of **John** chapter **5:43**, the Messiah said: **"I have come in the**

*Tell somebody about us: [www.voixdela prophetie.com](http://www.voixdela prophetie.com)*

*name of my Father and you do not receive me, another will come in his own name and him you will receive.” The TETAGRAMATON “YHVH” (Eternal), they came up with Adonai, but not Jesus.* At the time of the early church, with the first disciples, the disciples used to call him **Adon**, taken from **Adonai**, His Father. The Bible tells us that God identified himself to Abraham as **Elshadai** (Almighty) **Gen. 17**, and to **Moses**, as **YHVH** (Eternal) **Exodus 3**.

Now, a group of Latin and Greek religious imperialists invented “**Iesvs**” and said this is the translation of the Name **Y’Shua**. This word “**Ievs**” was used up to **405 A.D.** In the years to follow, they eventually came up with **Iesus** as the translation instead of **Iesvs**. The religious imperialists stated, it was a translation of **Y’Shua** and used for many years until the time they invented a new name for Him, which was **Iefus**. The name **Iefus** lasted until the early part of the **17<sup>th</sup>** century.

According to some scholars, though, letter “J” in the 16th century by a Frenchman named: Pierre Ramus, but it took 100 years later to be recognized and published by other nations like: France, Italy, Germany, England and others. The Imperial theologians still attempt to make people believe that ‘Jesus’ is the translation of Y’Shua. Now, the biggest question is, since the word **Y’Shua** means “**Savior**” or “**Salvation**,” then what is the meaning of the name **Jesus**? **NONE!** The **Roman Empire** who brought the name, knew for a fact that the name **Jesus** came from the *Greek sun god* called **Zeus**, and it has no biblical meaning whatsoever. We could say however, that, the **Babylonian** religion has left its imprint on today’s religion. The **Bible** tells us that the true Christians must continue to build and do everything upon the foundation of the Apostles. But instead, **Catholics** and **Protestants** or nominal **Christians** still follow the doctrine and also the footsteps of the imperial Roman (Constantine in particular) church. *(Tell somebody about us: [www.voix de la prophetie.com](http://www.voix de la prophetie.com)).*

### NO LETTER “J” IN HEBREW

As I stated earlier, **Mesopotamia** means: “*Country among the rivers*”. If we Changed that name, it would automatically lose its meaning. Now, **God** calls His son **Yeshua**, and many scholars pretend that this name has not been mentioned in the **Old Testament**. According to the **Tenach** (Old Testament) alone, the name is mentioned **29** times. When **Moses** (**Mosheh**) gave the name **Yeshua** (**Joshua**) to his successor he knew for a fact that Joshua would be the one to cross with Israel over the **Jordan**. Joshua is the transliteration of the name **Yeshua** or **Yahshua**. In the Hebrew Bible and many other versions that happen to keep the Hebrew original names intact, you don’t see a name with a letter “**J**.” Even in the time of **Martin Luther**, some **500** years ago, the letter “J” was never mentioned, and they knew nothing about the letter “J.” The English language added the letter “J” to its alphabet only about three centuries ago. This is the reason why you see the *first, second, and third* editions of the **King James Bible**, the name is spelled **Iesvs**, **Iesus**, **Iefus**, and not **Jesus**. Between **400-500** years ago, or during the **1500** and **1600s**, even the **Old English** alphabet did not have the letter “J.” Therefore, the *first letter* in the name **Yeshua** is **Yod**. Yod which

represents the “Y” sound in Hebrew and because of this, there are many names in the Bible that begins with the **Yod** that are mispronounced by the English speakers, because the Yod in these names was transliterated in the English Bible with the letter “J” rather than “Y.

## ROMAN EMPIRE IMPACT IN TODAY’S CHRISTIANITY

The Roman Empire took full advantage to drag the world to worship their Pagan gods in every aspect under the guise of Christianity. It is a shame that most “Christian” leaders, from the past to this present time, have made no effort to discover the real truth from the Biblical Era to our time. First of all, even the modern theologians teach that the original *New Testament* was written in **Greek** while in reality everything was written in either **Hebrew** or **Aramaic**. I would like you to take note of the facts concerning the deportation and exile of **Judah** during the invasion of **Jerusalem** by **Nebuchadnezzar**, the king of Babylon. **Nebuzaradan**, carried away both the *weak* and the *noble* men into captivity to Babylon. Among them, we have four individuals who are our living proof: **Daniel**, **Hananiah**, **Mishael**, and **Azariah**. **Azariah** means **Yahweh** will help. In other words, as I explained previously, in Israel every name has a meaning, many of which pertains to the great **Adonai** our **Creator**, and it is the same way for the Pagan’s world.

Every name has a meaning that go along with their pluralistic gods. As soon as the four young Hebrew men entered the land of Babylon, Nebuchadnezzar changed their names; he changed the name of **Daniel** to **Belteshazzar**, after Daniel explained his dream. Since Daniel could reveal the secret of the king’s dreams, they believed that Daniel had the brain and mind of the god named **Bel**. Now, the question is: who is Bel? Bel is a symbolic of **Nimrod** who was known by various names: Nimrod’s name was changed on three different occasions; from **Nimrod** to **Madouk**, from **Madouk** to **Merodak**, and from **Merodak** to **Bel**. Now, **Bel** was represented by a big snake that meant ‘*god of gods!*’ That is why the king named Daniel, **Beltchazar** and later on, he changed the names of the three young Hebrews from **Hananiah** to **Shadrach**, from **Mishael** to **Meshach**, and from **Azariah** to **Abednego**. Those were the names of the three Pagan gods of Babylon. Modern day people are proudly naming their children **Meshach**, **Shadrach**, and **Abednego**, without knowing the real reasons or meaning behind those names. The same thing happened also in the days of **Paul** and **Barnabas**, when pagans tried to change their names to the names of their gods. But both of them protested against it. That is why they are still not known by those pagan names, even to this day. (*Tell somebody about us: [www.voix.de.la.prophetie.com](http://www.voix.de.la.prophetie.com)*).

We read this account in the book of **Acts** chapter **14** starting with verse **8**: “*And there dwelt in the city of **Lystra** a cripple who had been lame from his mother’s womb who had never walked. He heard Paul speak and when Paul saw him and perceived that there was faith in him to be healed, he (Paul) said to him, ‘in the Name of our LORD and Savior Yeshua the Messiah stand upright on your feet!’ and he leaped and walked and when the people saw what Paul had done, they lifted their voices saying in the language of the country. The gods have come down to us in the likeness of men. And they called Barnabas, **Jupiter**; and Paul, **Mercurius**, because he was the chief speaker. The priest of Zeus, whose shrine was just outside the city, brought oxen and garlands to the gate of the courtyard because he and the crowd wanted to offer sacrifices to them.” When Paul and Barnabas knew of this, they tore*

their clothes and leaped to their feet and fell to the ground crying out and saying men: "What are you doing? We also are ordinary human beings like you, Who are preaching to you that you should turn away from those useless things and turn to the living God who made Heaven and Earth, and the Sea and all things that are therein." In verse **18** we read *that even though Paul and Barnabas said these things to them, they had a great difficulty in restraining the people from offering sacrifices to them.* Therefore, in this chapter we learn two things: first, they tried to change the names of Paul and Barnabas to that of their pagan gods, and offered sacrifices to them. Secondly, Paul and Barnabas resisted them and refused to accept worship and homage from those Pagan folks. Here again, they misunderstood both the *message* and the *messengers*. Particularly, the *priest* of Zeus who had come to offer sacrifices to Paul and Barnabas. *As I stated before, since the Pagan nations don't follow monotheism (One God) or truly know the Creator, they are on the opposite side of the Law, worshipping their pluralistic gods. In Acts chapter 14, we read about the temple of Zeus; in chapter 19 we read about the temple of the Greek goddess Diana who the Romans called Artemis who is the god of all of Asia. Zeus is the Sun god and Diana is a goddess of the moon. In Babylon, they called Zeus, Tammuz, Diana is Ishtar or Inanna.* In fact, every nation has a different name for sun/moon gods, according to their language.

### THE TRUE NAME OF THE MESSIAH

Concerning the significance of the true name of the Messiah, His name should not, and must not be *translated, transliterated or changed.* In the book of **Acts** chapter **4:12** and **Phil. 2:9-11** *"There is no other Name whereby mankind must be saved other than that name of Yeshua HaMessiah (HASHEM)."* For example, if your social security number (SSN) is: **123-45-6789**, and someone only changes the last number which is "9 to number 7", it becomes **123-45-6787**. Automatically, it's become someone else's SSN#, the computer will not read it as your SSN#. This is the same for a name that has been mistranslated or transliterated. The Hebrew Names of "YHVH for **Adonai, Elohim** and **YAH** should not be translated in any other language except in **Aramaic** or **Arabic** because those are **Semitic** languages; otherwise you subject the Name to error and lose its true meaning. As I stated before, you should never translate someone's name. So, what is the purpose of a name? A name identifies the individual, thing, place, or animal. Let us say a person's name is **Jacques**, a French name. Just because he came to America, doesn't mean that he has to change his name to "**James**." Obviously, "**James**" is not "**Jacques**". This is the rule that applies in any society. One may be allowed to translate the text of a book, but not the name of the author. In summary, there are four things you should know, especially with the name Jesus:

1. There is no letter "J" in Hebrew or Greek alphabet
2. You cannot translate the name of Yeshua because of what it stands for
3. If a given name is issued to an individual, when speaking about that individual only his/her real name should be in parentheses.
4. Therefore, the name Jesus cannot replace the True name of the son of Adonai

## OTHER OCCURENCES OF THE NAME Y'SHUA

*"To the Jews, the process of writing a Hebrew word in the Greco-Latin or Roman-English alphabet is known as transliteration. Today, in our generation, all proper names in the Old Testament were transliterated into English, according to their own kind of Hebrew pronunciation versus Latin. But when the English pronunciation shifted to what we know today, these transliterations were not altered. Thus, such Hebrew (Greco-Latin) pronunciation changed to close the paragraph. The name **Ye-ru-sha-la-yim** is changed to **Jerusalem, Yeshua** to **Joshua**". As a matter of fact, in the Bible, we read in **Joshua 1:1**: "The LORD said to Joshua the son of **Nun**," listen the name is actually "**Yahshua** or **Yehoshua**". The next occurrence of the name Yeshua is found in **Ezra** chapter 3:2 "Then stood Yahshua (Joshua) the son of **Jozadak** the son of **Shelathiel** and his brethren and they built the altar to the God of Israel to offer burnt offerings upon it, as it is written in the book of Law of Moses the prophet of God." In **2nd Chronicles 31:15** And next to him were **Eden, Miniamin, and Yeshua** (Joshua)"etc. **1st Samuel 6:18**", Which stone remaineth unto this day in the field of Yahshuah (Joshua, the Beth-shemite, **2nd King 23:8** And they broke down the high places of the gates that were in the entering in the gate of Yahshuah (Joshua), the Governor of the city, ... **Aggai 1:1** Yahshuah (Joshua) the son of **Josedech** the high priest, ... In Acts **13:6** again we read "And when they had traveled the whole island as far as the city of **Pathos**, they found a Jewish sorcerer who was a false prophet and whose name was **bar-Yeshua**.)*

**Josephus**, one of the famous Jewish historians mentions about 20 different Yeshuas and 10 of them were contemporaries of **Yeshua HaMashiach**. All together, the Jewish scholar named at least **50 Yeshuas**, but the one who is the Son of the Creator is named "**Yeshua**" **HaMashiach** which means "**Salvation**." As I indicated previously, there is no meaning to the name "**Jesus**." As far as **Iesus** is concerned, the Greco-Latin tranlation comes from the Greek god "Zeus". In fact, a lot of research has been done to determine if the names Iesvs, Iesus, Iefus and Jesus existed during the era of the early disciples, no record of any of these names were known by the followers of the Messiah. For example, at the crucifixion of the Messiah, we read in **Luke 23:38, 39** as follows: "And a superscription also was written over Him in letters of **Greek, and Latin, and Hebrew, THIS IS THE KING OF YAHDAIM** (the Jews). Then one of the criminals hanging beside Him kept insulting Him, saying; Are You not the Messiah? Save Yourself and us! Therefore, if those names were available at that time, **Pilate** would have been the first to use them, and so would those thieves who were hanging with Him". Now beloved, the biggest problem you have with a translations and transliterations is that: they are not always accurate, whether in words or in numerical values. "For example, in Hebrew perspective, "Vav" is equivalent to 6, but transliterated as W, and W also is equivalent to 6. And it exposes this way: "Vav-Vav-Vav in Hebrew would be 6+6+6=18, 18 is a very significant number from the Jewish perspective. It represents the numerical value of the word "**Chai**", which means **Life** or **living**. However, when switching to the transliteration: WWW (it means) = **666**! The Internet, or the number of the beast system! Furthermore, phonetically Speaking, Greek has no "sh" sound. When transliterating the Hebrew name Yahshua, it is difficult because the transliteration of the

*"ua" in Greek is "ous" and "us", both denote a female gender. However, Messiah is not a woman but a man".*

The name Jesus is not even 1% close to the Name Yahshua. Therefore my friends, as true servants of the Lord, we must be careful not to glorify and worship a name that has not been recorded in the **Lamb's Book of Life**. Furthermore, according to Exodus 23:13," *the Creator warns us that we must not even repeat the name of a pagan God in our mouth*".

## DIFFERENT NAMES THROUGHOUT THE AGES

Things have happened exactly as the Messiah prophesied them to be. The Greeks and Latin writer have tried many names, before finally settling on the name **Jesus**. As I explained previously, they started with 1) **Yah-Zeus**, 2) **Iesv**, 3) **Iesvm**, 4) **Iesvs**, 5) **Iesus**, 6) **Iesous**, 7) **Iefus**, from **500-1050 A.D.** the **Anglo-Saxon** called him: **Haeland** (means **Healer** or **Savior**). Other abbreviated forms from **1050-1550 A.D.**, were ***IHU***, ***IHUS***, ***HIS***, and ***Ishous***. 7) **As you could** see, that when the first and second King James versions of the Bible, were printed in the year **1611 A.D.**, both of them had had no "J" because, letter "J" did not yet existed. But, finally, in **1700 A.D.**, with the appearance of the letter "J", they changed the letter "I" to the letter "J" which caused us to have "**Jesus**" in our generation. It is clear that even **Martin Luther** who lived **500** years ago, as stated before, never knew the **name Jesus**.

Again, that letter "J" was invented only 300 years ago. Since then, the new King James Version which was printed 300 years ago contains the name "Jesus" and consequently, every or most hymn books, and most of the other Bible translations after the 17<sup>th</sup> century were printed with the name Jesus. This would be the same for The Messiah on Judgment day. Many people will say "**LORD, haven't we prophesied in your Name?**" And The Messiah will reply "*I know you not, depart from me you workers of iniquity (lawlessness).*" Though we have different names for Messiah in the Bible, He has only one true name as I have proven many times before, Yeshua is His Name (Y'shua is a temporary name for His present role as Savior – He has a Name no one knows that will reveal what He will be doing when He returns). The others are attributes to His person: I could list *more than 100 names* attributed to His person, and each one has a special meaning and is also written in the **Lamb's Book of Life**. But, as far as the name Jesus is concerned; it hasn't been written anywhere in the Lamb's Book of Life, and it has no meaning either.

We read in **Isaiah 9:6** as follows; "*For unto us a child is born. To us a child is given and the government will be upon his shoulder and his Name is called **Wonderful, Counselor, the Mighty God, the Everlasting Father, and the Prince of Peace.***" Again, we read in the book of **Matthew 1:23** "*Behold a virgin will conceive and give birth to a Son and they shall call his Name **Immanuel** which is interpreted our God is with us.*" Now, when you are looking at the text you see that the name Immanuel is more accurate and more direct than the name Jesus. However, let us go back to verse **21** of **Matthew chapter one**; "*She will give birth to a Son and you will call His name "Jesus" (Yeshua) for He shall save His*

*Tell somebody about us: [www.voix de la prophetie.com](http://www.voix de la prophetie.com)*

people from their sins.” Verse **25** states; “And he (**Joseph**) did not know her until she gave birth to her first born Son and she called Him “Jesus”(After reading the author's article, should you chose Jesus or Y'shua?).

This is further proof that “Yeshua” could not have been name "Jesus". I would like you to pay attention to the connection in **Isaiah 56:1**, Yahweh says “”For ‘My Salvation’ is near to come,” then He sends the Name from Heaven by His Holy Angel that the Son would be named Yahshua which means “Salvation or Savior”. This is what the prophet Isaiah mentioned. **Matthew 1:21** tells us that: “His mission is to save his people from their sin”. Therefore beloved, the coordination that exists between Isaiah and Matthew leaves no room for confusion as far the name of the Messiah is concerned. About His *name* and His *mission*, the name fits His mission perfectly. Yahshua, indeed, was born for two purposes: to *save His people from sin*, and *glorify His Father*. The name Yahshua also announces His Father’s plan of salvation for humanity.

Now, let us return to the book of **Matthew 1:23** again we read: “His name shall be Yeshua” which means Salvation (as previously explained). **Verse 23** states “His name shall be Immanuel which means: “the Power with us.” One thing that everyone should know and understand is that, at the time the Angel (**Malak**) brought this Name to Mary, the foot of Rome was on the neck of the Jews. Then, the Jews believe that Adonai had abandoned them, then, Elohim had sent them this Name Immanuel as a message to tell them that: Adonai (My Lord) is with them, and he had not abandoned or forsaken them which means that the Name is an attribute to the Son of Adonai”.

I could give you about 200 names, attributed to Messiah the Son of Yahweh. For example, in **Ex. 3:14** “ Am who AM ( I AM that I AM).” The Hebrew translators translated this from: ÉYÉ ASHER ÉYÉ

Therefore, the name Yeshua and all these attributed names related to the Son of Elohim are from the Lamb's Book of Life. But when you come to the name Jesus, it has no biblical, spiritual meaning. It hasn't been written in the Lamb's Book of Life. The Bible states: "The whole world is under the power of the devil." *It would be so sad if all these glories, all these praises, and all these prayers had to go towards a wrong god. Satan*, the devil has done a masterful job in deceiving humanity with his deceptive works which cover the whole world. Under the umbrella of his deception . He gave us: ([www.voix de la prophetie.com](http://www.voix de la prophetie.com))

1. *a name in honor of the sun god (Jesus): Santa clause meaning a "Legendary father"*
2. *a day in honor of the sun god (Sun-day) to worship that god*
3. *a birth date to celebrate the son of the sun god (December 25/Christmas)  
a calendar in honor of the sun god to fix the times, the days, the months, and the year with the first month ("JANUS"Januarius or January) comes in the last season of the year,( Winter).*

*Tell somebody about us: [www.voix de la prophetie.com](http://www.voix de la prophetie.com)*

*These completed the work of Satan mentioned by John the Revelator in **Rev. 13:3 – 8**; that the whole world wondered after the beast. Tell somebody about us: [www.voix de la prophetie.com](http://www.voix de la prophetie.com))*

Back in the time of the Messiah, the **Emperor Augustus Cesar** was canonized by his senators declaring him as: “**Nathali, Solis, Invicti**” which means *the invincible son of the sun god*. From there on, the Emperor became a god and gave birth automatically to an Imperial Christianity in His own kind. Later on, the emperor **Constantine** chose the cross as a Christian symbol, selected at the **Council of Nicea** in the year **325 A.D.** Rome also established an Imperial calendar, whereby, the 8<sup>th</sup> month, bears the name “**Augustus**”. Then the **Imperial Christians** gave us an **Imperial Bible**, and revised the Imperial calendar several times to fix the imperial feast days, and **Imperial feast days** gave homage to different **Imperial gods**; “Jesus” is one of them. As stated previously, the **Imperial church** is strongly in opposition with the **Yeshua system** in every point of view. Therefore, in the same way the imperial system doesn’t know the name Yeshua, likewise, the people who adopted the imperial system did not know Yeshua either.

**Matthew 7:21-23** proves that it is “*Not everyone who merely says to me my LORD, my LORD, will enter into the Kingdom of Heaven, but he who does the will of my Father in Heaven. A great many will say to me on that day, my LORD, my LORD, did we not prophesy in your name and in your name cast out devils and in your name do many wonders? Then I will declare to them, I have never known you; keep away from me, O you that work iniquity (lawlessness)*”. Now, since Adonai is a righteous being, this simply means that at the time those leaders were doing those miracles and wonders, they must have been worshipping upon a wrong name and worshipping a wrong god that rejected and profaned the Commandments of the monotheistic God, for Christ to tell those folks that He never known them, by saying “*Get away from me, you workers of iniquity*”.

To represent a government as an ambassador, there are two important things that one should know: First, the name of the leader who is at the head of the government; second, his political agenda. *It will be very sad after this entire journey, all this misery, and all this deception in this world, to come at the end and hear the King say from His mouth “I never know you.”*

*Let us take a look at some of His agenda and read for yourself **Matthew 24:14, Exodus 20:1-26, Lev 23:1-44, Ex. 12:1-51, Deut 16:1-22, Deut 11:1-32, John 6:1-71, Luke 22:1-21 Luke 7:1-17, Acts 20:1-16, 1st Cor. 5:6-13, Isaiah 66:22-24, Zechariah chapters 12/14, Daniel 2:44/7:26,27, 1st Cor. 16:8, and 1st Cor. 15:22-30***. Therefore, beloved, these chapters spell out (much) of the agenda of the living God. We are to live and practice His principles in our daily lives. The imperial Christians take it for granted, telling everyone that God’s laws are abolished and they are living under grace. Notice that The Messiah tells those who have disobeyed Him that they do “the work of iniquity”, by adopting lawless behavior. In other words, *their works were different from that of the Messiah’s agenda*. In **John 14:11-15**, The Messiah says “*Believe that I Am with My Father and My Father is with Me; and if not, believe because of the works. Truly, truly, I say to you, he who believes in*

*Tell somebody about us: [www.voix de la prophetie.com](http://www.voix de la prophetie.com)*

*Me shall do the works which I do; and even greater than these things he shall do because I am going to My Father and whatever you ask in My Name, I will do it for you, so that the Father may be glorified through His Son."*

### **THE POWER IN THE NAME OF YESHUA**

Christ says: *"If you ask any thing in My own Name, I will do it."* Now beloved, The Messiah is not a God that would say something without keeping His promises. He is not a liar. **John 14:15** tells us that His requirement is, *"If you love Me, keep My Commandments."* Again, in **1st John 2:3-7** we read: *"And hereby we do know that, we know Him if we keep His Commandments. He that sayeth, 'I know Him, and keepeth not His Commandments, is a liar, and the truth is not in him. But whosoever keeps His word in him verily is the love of God perfected; hereby know we that we are in Him. He who says he abides in Him ought himself also so to walk even as He walked. Brethren, I write no new commandment unto you, but an old commandment which ye had from the beginning. The old commandment is the word which ye have heard from the beginning."* It is very clear why The Messiah told the Imperial Christians that He never knew them. It is, because they have not kept His Commandments that are the Sign of His Union with them. Most of the Imperial folks declared defiantly that the Laws of Elohim had been 'nailed to the cross.' As I stated before, "As long as Heaven and Earth exist" says the LORD, "not one jot will come out of His Laws;" Two big witnesses, again we read in **1st John 2:7** "As follows; *"my beloved I do not write a new Commandment to you but an old Commandment which you had from the beginning."* *The old Commandment is the word which you have already heard. In fact, to deny His Commandments is to deny His Holy Name. It is the biggest mistake one can ever make by saying or believing that the Laws of God were abolished at the cross. Therefore beloved, this deception on judgment day, would only be avoided if we know the True Name of the Son of God and obey His Commandments".*

- **While I'm bringing the subject to an end, I would like to tell you once again;** the True Name of God is: His character, from His Character you find: His Commandments, His Laws, His Statutes, His Judgments, His Testimonies, and His Moedim (His feast days or His Appointed Times). Let me repeat or rephrase what I have said in a different way for you. The question is: what is the Name of God? Now, we would like to bring you back to **Exodus 33:19** and **Exodus 34:5**; and He said *"I will make all my goodness pass before you and I will proclaim the Name of the LORD before you; and I will be gracious and will show mercy. And the LORD Descended in the cloud and stood with him there and announced the Name of the LORD, written His Name in two table of stones (the Ten Commandments)."*

*Now my friends, I would like you to understand this! In Exodus 34: 5,6; The LORD says to Moses I am going to pass before him and proclaim His Holy Name in the cloud then He (the LORD) proclaim the Ten Commandments and gave them to Moses and said: 'Go, proclaim My Name!'"*

*Tell somebody about us: [www.voix de la prophetie.com](http://www.voix de la prophetie.com)*

Let me repeat again: what is The Name of our Creator? His name is His Character! What is the LORD's Character? The LORD's characteristics are: His Laws, His Commandments, His Statutes, His Judgments, His Testimonies, and His Moedim or His Feasts and His Calendar. The imperial Christians, by saying the Laws of God are abolished, is another way of saying that they do not know His Name; it is a crime of high treason against the Government of God. This is the reason why at the end of the world, on Judgment Day, when they say to the Master they did this or that in His Name, He replies "*I never knew you.*" The Names of Yah, Adonai, YAH, Elohim, Yeshua, and (YHVH), were never meant to be translated in a Pagan language or nation. Consider that you have a cup of milk and you drop some coffee in it, no matter what you do, the milk will never return to its original state.

As I stated before, you can translate a text from a writer but you cannot translate his name. The Name of the Messiah (Yeshua) is so important to humanity that He told Paul: "I chose you to take My Name to the kings, to the Mayors, to the nations of the world, and to the children of Israel." Furthermore, *Paul said: "He spoke to me in Hebrew," Acts 26:12-14* which means the Name He wanted Paul to carry to the nation is not "Jesus" because that name Jesus was not even known there at that time. As I have stated: the name Yeshua or Yahshua, is so powerful that it can *raise the dead, heal the sick, it chastises demons*. One may say that when they called on the name "Jesus", they raise the dead too. One thing you need to know is that, in **Revelation 13**, John said: *Satan had power to do any type of miracle, to make people believe in him. One important thing to understand, is that, the Messiah does not punish people in their ignorance. Those who died knowing only 'Jesus' cannot be punished for what they did not know. They will be judged according to their deeds, or for what they had done during the time that they were living. Today, you have learned that Jesus is not the Name of the Son of God, but His name is **Yeshua**, the Messiah. In Rev. 14:1 and Ezech. 9:4; the Eternal God promises to put His Name on the foreheads of His people and in Rev. 13:16-18; Satan will mark his followers also with His name on their forehead. So beloved, make your decision, this is not a joke, this is serious! His name and His Moedim, combined with the Passover represents a mark in our foreheads and in our hands. Whosoever don't receive that mark, will eventually receive the mark of the Beast. (See: Exodus 13:8-10; John 6:43-56). My friends, the world will soon face the BIGGEST judgment ever. We would have ourselves to blame, for our disobedience against the Creator and our anti-Semitic attitude and hatred against God's Laws.*([www.voixde.laprophetie.com](http://www.voixde.laprophetie.com))

*Everything you see on this subject about the false messiah, and false name, false days of worship, and our hatred and anti-Semitic views against the Jews and other people of God, will bring a dome's day upon our planet. For the Creator wants to save every nation, but He had to start somewhere, then, He chose **Abram**. The translation is Abram, but the correct historical, or Hebraic name is **Avram**. Before that, the man and his wife, **Sarai**, were unable to bare any child. So, by meeting with the Creator, the Lord changed his name from Avram, to **Avraham**. Meaning, the father of many nations. And, Avram's wife's, from **Sarai**, to **Sarah**. So now, in the beginning of that article, the name of our Creator comes in a tetagramaton, which gives us the name, **YAH**. Phonetically speaking, "**AH**". The Lord gave Avram a part of His name, so he became, Avraham. So does, Sarah, his wife. By receiving a part of the name of God, they could not remain sterile anymore, no matter what*

*Tell somebody about us: [www.voix.de.laprophetie.com](http://www.voix.de.laprophetie.com)*

*age they were. So, the Lord promised Avraham that he would become the father of many nations. Therefore, blessed are those who blesses Avraham and his descendants, and cursed are those who curses Avraham and his descendants. If we are to take God for who He is, then, our anti-Semetic attitude, is enough to turn our world upside-down.*

*Through Avram, the Lord made three Major Semetic religions. Avraham made **Ishmael**, and through Ishmael, we have twelve princes. And from these twelve princes, we have the Arab nation. And the Arab nation gave birth to the **Islamic** religion. Avraham made **Isaac**, and through Isaac, we have twelve patriarchs. And through these twelve patriarchs, we have the nation of **Israel**. And the nation of Israel, gave birth to the Jewish religion. And the Jewish religion gave birth to **Yashua**, the **Messiah**. **Yashua**, the Messiah chose twelve apostles, and the twelve apostles gave birth to the Christian religion. Like it or not, Salvation is of the Jews and we are grafted to them (John 4:22; Roman 11:1-36), whomsoever are not happy with it, take your case to the Highest Court with the Lord, and I wish you good luck! One thing we know for sure, the Lord commissioned those three major religions to preach, or proclaim peace throughout the world.*

*Therefore, when a Muslim brother meets another Muslim brother, the greeting words are, "Aslam Walakum, which means: Peace be unto you!" When a Jewish brother, meets another Jewish brother, the greeting is **Shalom!** Which also mean, "Peace be unto you!" The same goes for the Christian religion, when one Christian brother meets another, the greeting words are the same, "Peace be unto you!" The message of peace, is derived from the King Himself, who is the Prince of Peace (Isaiah 9:6) . He's coming to establish a Kingdom of Peace in the world. Since He's not a Prince of Violence, whosoever use violence, will not be a part, or inheritor of that Kingdom of Peace. So, unto you, the nations of the world (the United Nations, in particular), first, to have peace in the world, we need to do one thing, stop the anti-Semetic behavior, or attitude against God's people, and reject violence in every form, and chose the right savior, who is the **Yashua Messiah**, and observe His Commandments. This would be enough to bring peace under our solar system. Get rid of all of the unclean-mindedness, then this would enable us to bring peace to the planet, while waiting for the Yeshua, the Prince of Peace, the Lord of Lords, and the King of Kings.*
